

# REPUBLIC — WHISKEY —

AUSTIN

TEXAS

Saddle Up You've got some drinking to do. Other blended whiskeys stay in the shadow of their mama's aprons. They're all hat and no cattle, bless their hearts. Republic Whiskey is different. It's as bold and storied as Texas itself. It's smooth enough for sipping but can hold its own in a cocktail.

- Made from corn, rye, barley and hill country rainwater
- Rich notes of oak and vanilla fading into dark cherry with a bold finish
- Barreled and bottled in Texas
- 2019, 2020 and 2022 Texas Whiskey Festival Award Winner
